DAN MORALES
ATTORNEY GENERAL

May 7, 1998

Ms. Gail Allan
Director
Texas Water Development Board
P.O. Box 13231
Austin, Texas 78711-3231

OR98-1155

Dear Ms. Allan:

You ask this office to reconsider our ruling in Open Records Letter No. 98-0647 (1998). Your request for reconsideration was assigned ID# 115551.

The Texas Water Development Board (the "board") received a request for certain information pertaining to the Walnut Creek Special Utility District. In Open Records Letter No. 98-0647 (1998), this office concluded that the board could withhold some of the requested information under section 552.107(1) of the Government Code. In your request for reconsideration, you contend that one of the documents submitted for our review contains certain information that reveals attorney advice and client confidences and may therefore be withheld under section 552.107(1).

We have reviewed the information you wish to withhold and your arguments under section 552.107(1). We agree that some of the information you have highlighted may be withheld under section 552.107(1). We have marked on the document the information that may be withheld under that provision. Open Records Letter No. 98-0647 (1998) is overruled to the extent it conflicts with this conclusion.

If you have questions about this ruling, please contact our office.

Yours very truly,
